Patios / Dogs

Please be reminded that patios must be
kept clean and free of dog waste and
urine and must be sanitized to prevent
unpleasant odors and unwanted pests.
Your neighbors will appreciate it!

RECYCLING

Thank you to those residents
who recycle properly,
however some residents are
putting household trash in the
recycle bin and we are being
fined a \$45.00 contamination
fee each time non recyclable
items are found! Those who
are observed improperly

disposing of non recyclable items in the recycle
bin, will be fined.

If you are currently not recycling but would like
to, please use the recycling bin at the Fruit
Street Dumpster area. Please recycle your
clean paper, hard plastic, aluminum, glass, and
cardboard boxes (broken down).

As a convenience to our residents who recycle,
we are looking into adding additional recycle
bins in other areas.
