**PLEASE BE CONSIDERATE
WHEN CLEANING YOUR
BALCONY**

When cleaning your balcony, please be mindful that the dirt, debris and water will end up in your neighbors area below!

Please do not use a water hose. Use a damp mop or sweep your balcony with a broom and use a dustpan to remove the debris, rather than sweeping it over the edge. Your neighbor below will appreciate it!

HAPPY LABOR DAY
MONDAY, SEPTEMBER 5th

Observed the first Monday in September, Labor Day is an annual celebration of the social and economic achievements of American workers. The holiday is rooted in the late nineteenth century, when labor activists pushed for a federal holiday to recognize the many contributions workers have made to America's strength, prosperity, and well-being.

LAUNDRY ROOM TABLES

Our laundry room tables were recently upgraded as a convenience to our laundry room users and are designed for residents to sort and fold clothes.

It has been reported that children have been observed standing on the bottom wooden brace to climb up on the tables.

To help preserve our laundry room facilities and keep them nice, please do not allow children to pull or stand/sit on any part of the tables.

POOL AREA

All residents using the pool are responsible to pick up and dispose of all litter and remove all your belongings from the pool area when you leave. It's a simple thing to do and will allow all our residents to enjoy the pool area!

Please treat the pool area as if it were in your own backyard...

NO Hanging Laundry Outdoors

No towels, clothing, blankets, sheets, etc., is allowed to be hung outdoors on balconies or balcony railings, patios, fences or anywhere that can be seen from the common area. Hanging of articles outdoors is unsightly and is never allowed, even for brief periods!

BOARD OF DIRECTORS MEETING

Date: Thursday, September 15th
Time: 6:30 pm.
Place: Redwoods clubhouse

Our Rules and Why We have them

Your Board of Directors will be working on our 2023 rules and regulations over the next few months and will make modifications as needed.

Our rules and regulations are designed to insure the safety and comfort of all our residents, to keep our community looking its best, to uphold our property values and to protect your investment.

One might ask, "what is the harm of me hanging a towel on my railing for 30 minutes so it can dry?... it's only a towel! The answer is, if we allow one person to dry a towel, we must allow 303 other families the right to hang a towel(s) also! That could certainly end up a disaster with towels hanging everywhere....our beautiful, well maintained community could quickly turn into a ghetto... someplace you would not have chosen to invest in or to live in.

Please respect the rules and abide by them. They are for the betterment of the entire community.
